Diagram illustrating a sequence of steps in a 4x4 grid. The steps are numbered 1, 2, 3, 4, and symbols 1 (vertical line with a dot) and 2 (vertical line with a horizontal bar). The sequence starts at (1,1) with '1', goes to (1,2) with '2', then (1,3) with '1', (1,4) with '2', (2,1) with '1', (2,2) with '2', (2,3) with '1', (2,4) with '2', (3,1) with '1', (3,2) with '2', (3,3) with '1', (3,4) with '2', (4,1) with '1', (4,2) with '2', (4,3) with '1', and ends at (4,4) with '2'.

The diagram shows the distribution of the letter 'L' in the word 'L' across different positions in the word 'L'. The positions are labeled 1, 2, 3, and 4. The letter 'L' is shown in each position, with the number of occurrences indicated by the number of 'L's. For example, in position 1, there are 3 'L's, and in position 2, there are 2 'L's.
